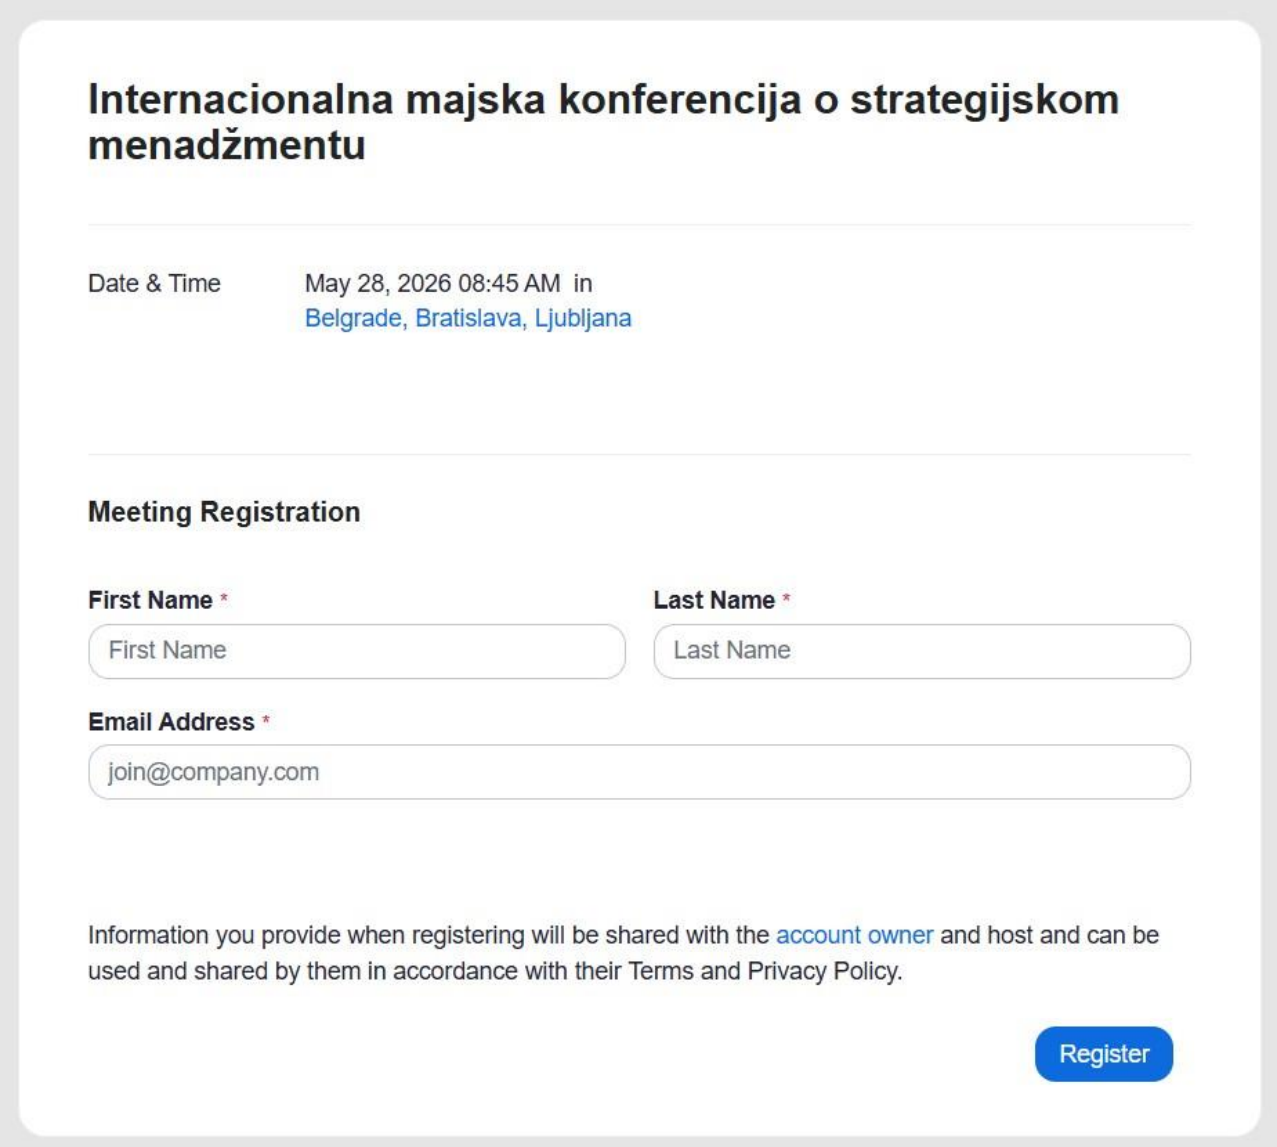
GUIDELINES FOR VIRTUAL CONFERENCE

International May Conference on Strategic Management – IMCSM26

The main day for the online presentation of the submitted papers will be Thursday, May 28th. The second day of the event, scheduled for May 29th, 2026, will be hosted entirely via Zoom.

Registered authors will be provided links which will allow them to access the virtual conference room(s) and join any session at any time. The conference will be hosted and moderated from the Chamber of Commerce and Industry of Serbia in Belgrade. The flexible design of the Zoom will allow participants to come and go as they like.

Registration is mandatory for all Zoom participants! Please provide your first and last name and your email address as shown in the picture below.



Hardware requirements

The following equipment is needed in order to join the conference sessions: A computer (desktop or laptop) with a stable internet connection (Wi-Fi or cable), a microphone (built-in or external), speakers (or preferably a **headset**) and optionally a camera for video transmission (built-in or external). Although we don't recommend it, the application can also be accessed via smartphone.

How to join

Join the online meeting using the Zoom desktop application. Open the provided Zoom links in your internet browser and follow the instructions in the email you will receive.

Basic session structure:

- **15 minutes before the Session:** The host will start the designated Zoom meeting.
- **Beginning of the Session:** The Session Chair will open the session and introduce the first presenter.
- **The duration of a single presentation:** 10 minutes
- **Q&A Session**: After finishing the last presentation in the session the host will announce Q&A session.

Online events during the conference should start and end according to the planned time schedule. We kindly request that all presenters join their sessions at least several minutes prior to the scheduled time of the session. Also, the hosts and the moderator will notify speakers when they exceed their allocated time limit.
