

**DUŠAN TEODOROVIĆ, Ph.D.**

Professor of Transportation Engineering/Operations Research  
Faculty of Transport and Traffic Engineering, University of Belgrade, Serbia

Professor Emeritus of Civil and Environmental Engineering  
Department of Civil and Environmental Engineering, Virginia Polytechnic Institute and State  
University, U.S.A.

Elected Member: Serbian Academy of Sciences and Arts

Elected Member: European Academy of Sciences and Arts

Mileševska 38, 11000 Belgrade, Serbia

**Curriculum Vitae**

**Dušan Teodorović** is currently Professor at the Faculty of Transport and Traffic Engineering, University of Belgrade. Since 2009, he has been elected member of the Serbian Academy of Sciences and Arts. Since 2013, he has been elected member of the European Academy of Sciences and Arts. Dr. Teodorović received the Ph.D. degree in engineering from the University of Belgrade, Serbia in 1982. He has worldwide academic experience with formal appointments at Virginia Tech. Professor Teodorović was visiting professor, and/or guest speaker at the University of Delaware, University of Pennsylvania, Middlesex University, Sapienza-Università di Roma, Politecnico di Bari, University of Southern California, University of California at Berkeley, University of Maryland, Technical University of Denmark, and National Chiao Tung University. Since 2006, he has been Professor Emeritus of Virginia Tech, USA. Dr. Teodorović has authored or coauthored more than 150 research publications in peer-reviewed international journals, book chapters, and conference proceedings. His primary research interests are in operations research and computational intelligence applications in engineering (Transportation Networks, Vehicle Routing and Scheduling, Location Analysis, Traffic Control and Transportation Planning, Logistics, Fuzzy Logic Systems, Neural Networks, Evolutionary Computation, Swarm Intelligence). He is a regular reviewer of many international

journals. He serves, or served on the Editorial Boards of 6 journals (Transportation Planning and Technology, Transportation Research-Part C, Journal of Transportation Engineering-ASCE, Vehicles and Mobile Mechanics, Yugoslav Journal of Operations Research, Tehnika). Professor Teodorović has guest-edited 3 special issues on various topics for international journals (Transportation Planning and Technology, Fuzzy Sets and Systems, International Journal of Critical Infrastructures). He was Program Committee Chair of the 9th Mini EURO Conference “Fuzzy Sets in Traffic and Transport Systems”, (Budva, Montenegro, 1997). Dr. Teodorović has been Honorable Senator of the University of Ljubljana, Slovenia since 2011. He was Vice-Rector of the University of Belgrade (2006-2009).
